

G-482A

The 400 series includes a range of high performance, user-friendly cold water machines, specifically designed for the professional user with heavier cleaning tasks in mind. Ideal for agriculture, automotive/ transport and general industry.

- upright design
- robust rubber wheels
- the pressure is regulated via the handle through a double lance
- 10 m rubber hose as standard
- Turbo Laser lance as standard
- automatic start/stop through flow control
- can be wall-mounted
- low pressure stand-by
- quick coupling system as standard
- EGT pistol

482 A – Top of the range, three-phase machine, very high performance

Technical overview G-482A

Pump Pressure (BAR/PSI)	200/2900
Turbo pressure (ETP-BAR/ETP-PSI)	235/3410
Water quantity (l/h)	930
Phases	3
Voltage (V)	400/415 -440
Frequency Hz	50 / 60
Amp. consumption (A)	14/13
Power consumption (kW)	5.8
Max. temp. inlet water (deg. C)	60
Weight (kg)	55
Dimension H x W x L (mm)	480x450x1000
