

G3 10-145

The electric power washer

Single phase variant

Automatic start/stop function

Integrated detergent injector / dosing valve

Suitable for professional use

Technical overview G3 10-145

Pump Pressure (BAR/PSI)	145/2102
Water quantity (l/h)	600
Phases	1
Voltage (V)	230/240
Frequency Hz	50 / 60
Amp. consumption (A)	10.5
Max. temp. inlet water (deg. C)	60
Weight (kg)	29
Electrical cable length (m)	5
Fuse	13
Water connection "	3/4
Motor power (kW/hp)	2.9/3.9
Dimension H x W x L (mm)	920/346/390
